First Circular

(I) Objectives of the Workshop

This Workshop sponsored jointly by the Innovation and Technology Commission of Hong Kong and Hong Kong Baptist University is part of our effort in bringing distinguished academic and industrial researchers working in the OLED community of Mainland / Hong Kong / Taiwan together to promote not only the science & technology of this wonderful display but also mutual friendship and future collaboration.

(II) Workshop Format

The Workshop will include talks by invited speakers and a concluding informal panel discussion on the topic of "*Future Development Trend in OLED Technology and its Impact on Mainland, Hong Kong and Taiwan*".

Invited speakers are requested to submit a one page abstract in English on all aspects of OLED materials (particularly in the area of design and synthesis) and devices.

(III) Workshop Details

Date : 24 November 2007 (Saturday)
 Time : 9:00 am – 6:00 pm
 Venue : RRS 905
